BEFORE YOU GO

A little planning makes room for more holiday magic. Use this page alongside the linked listings throughout your guide.

Using Your Guide

Tap a business or event name in the digital guide to open its source. Check that page before you leave.

Dates and details were checked November 8, 2026. Organizers may change schedules, availability or admission.

All dates are 2026 unless noted. Times are local to the Spokane area.

Reservations, photo packages, skating and tickets may cost extra. A free event does not mean every activity is free.

A Few Helpful Notes

Spokane + nearby communities: Spokane Valley, Liberty Lake, Cheney, Green Bluff, Chattaroy and Elk.

Some tree farms have announced 2026 dates; others are listed as places to call. Confirm stock, reservations and hours before driving.

Dining, coffee and evening listings identify established venues. They do not promise an announced holiday menu, themed pop-up or special opening date.

Decorative template imagery is not photography of the listed events or venues.
